

The Top 10 Benefits of Joining **FBLA COLLEGIATE**

Here's how FBLA makes a difference to 230,000+ members

- 1 Community, Connection, and Motivation** Join a network of driven students that stay motivated through chapter projects, leadership challenges, and national programs.
- 2 Competitive Events That Elevate Skills** Strengthen professional skills foundation by competing in events like Entrepreneurship Pitch, Hospitality Management, Emerging Business Issues, and Project Management.
- 3 Confidence and Professional Leadership Growth** Build leadership skills to prepare for future careers through leading committees, managing projects, or serving as a chapter, state, or national officer.
- 4 Networking and Expanding Your Professional Network** Grow relationships that open doors to future careers by connecting with business leaders, alumni, recruiters, and peers at conferences and industry events.
- 5 Skills That Employers Value** Strengthen communication, critical thinking, and project management skills through the Champion Chapter program and leadership roles.
- 6 Career Exploration Through Real-World Learning** Explore a variety of career paths through participating in workshops, business & industry visits, speaker sessions, and hands-on learning experiences.
- 7 Real-World Business Knowledge and Application** Learn practical business and leadership skills and apply classroom learning to real-world scenarios through competitions, team projects, and chapter initiatives.
- 8 Community Engagement and Making an Impact** Build a legacy of service and social impact while leading initiatives that strengthen the campus and local community.
- 9 Future Opportunities** Build a professional network that leads to future career opportunities by attending state and national conferences held in major U.S. cities.
- 10 A Stand-Out Resume and Career Advantage** Graduate with a resume full of FBLA accomplishments, including Excellence Awards, that signal motivation, skills, and commitment to leadership to employers.
