

# The Top 10 Benefits of Joining **FBLA HIGH SCHOOL**

Here's how FBLA makes a difference to 230,000+ members

- |           |                                                      |                                                                                                                                                                           |
|-----------|------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>1</b>  | <b>Fun, Community, and Motivation</b>                | Join a community to connect and get involved in engaging chapter activities, leadership challenges, and nationwide events.                                                |
| <b>2</b>  | <b>Challenging Competitive Events</b>                | Build confidence by competing in more than 75 events, from Public Speaking and Sales Presentation to Coding & Programming, Business Ethics, and Digital Video Production. |
| <b>3</b>  | <b>Increased Confidence and Leadership Growth</b>    | Discover the ability to inspire others by taking on officer roles and developing leadership skills to help in school and future careers.                                  |
| <b>4</b>  | <b>Networking and Expanding Connections</b>          | Open doors for the future by connecting with alumni, college partners, business professionals, and students from across the country at FBLA conferences.                  |
| <b>5</b>  | <b>Skill Development for Life and Career</b>         | Earn recognition by leveraging communication and problem-solving skills through Champion Chapter and the Business Achievement Awards to build a leadership portfolio.     |
| <b>6</b>  | <b>Career Exploration and Real-World Experiences</b> | Attend workshops, industry tours, and leadership sessions to discover careers that match personal interests.                                                              |
| <b>7</b>  | <b>Real-World Business Knowledge</b>                 | Gain practical experiences and learn essential business topics that prepare you for college, internships, and part-time jobs.                                             |
| <b>8</b>  | <b>Community Service and Making an Impact</b>        | Develop a passion for service through leading projects to improve the school and community.                                                                               |
| <b>9</b>  | <b>Future Opportunities</b>                          | Discover new cities and gain experiences at state and national conferences that strengthen portfolios for college, jobs, and future leadership roles.                     |
| <b>10</b> | <b>A Stand-Out Resume and College Advantage</b>      | Build a resume filled with real accomplishments, awards, and leadership experience.                                                                                       |
